

## **Who Am I Now, God?**

### **Video 1**

1. Take 5 minutes and list any personal relationships, groups, and activities you are currently involved in (or have been in the last year.)
2. What one relationship would you like to invest in more in the next month?
3. Describe one personal or life lesson you've learned in the last 6 months and how it changed you or your circumstances. How did it build upon your past growth?
4. How do you primarily hear God speak to you?
5. Ask Him for eyes to see and ears to hear Him and begin to record His interactions with you in a Listening Journal.
