

## **Who Am I Now, God?**

### **Video 4**

1. Write out Psalm 92:14-15 with the title "The Best is Yet to Come." Hang it where you will see it every day.
2. What fruit do you see growing in your own life?
3. In what area(s) would you like to see more growth? More harvest?
4. If you were guaranteed success, how would you spend your time in the next 6 months?
5. Ask God for His perspective in that desire and record in your Listening Journal.
